Untie the Knots®: Improving Habits and Morale Inside the Workplace

This is an energizing results focused session delivered by Ty. It is customized to address the countless challenges, obstacles, issues, and toxic habits found inside many failing, stagnate, changing, successful, and leading organizations today. This no holds barred, get real session will bring your group a practical solutions-based process that they can implement immediately on all levels of business and life to improve habits and morale.

Re-Capturing and Re-Igniting Your PASSION

Where others might see burn out and average work as being the new norm, Ty sees a ripe opportunity to make a difference in the lives of the talented, motivated, winners you originally hired. PASSION Is—As PASSION Does! It takes enthusiasm, passion, focus, positive action, and consistent follow-through to bring forth desired results.

Teamwork Makes the Dream Work

Is your team moving forward together or inundated with conflict? Do your team meetings consist more of bickering than collaborating? Do you have some team members who are everyday peak performing superstars, while others do just enough to get by? Do not fret, Ty is here to teach and help you and your teams to become more efficient, cohesive, inspired, passionate, accountable, resilient, and empowered for continuous success and Maximized RESULTS.

Building an Attitude of Excellence

Whether you are just starting out as a new hire, a frontline employee, a manager, or a seasoned senior executive, this substantive and empowering session delivered by Ty—will inspire, jump-start, and boost the *Attitude of Excellence* that we are all capable of enjoying and benefiting from daily. It's time to embrace Ty's chant = My A.O.E., Is A-Ok!

You Have to S-T-R-E-T-C-H and FOCUS for Continuous Success

Success is more than being okay or good at what you do; it's about being and staying consistently cutting-edge. Ty Howard helps professionals on all levels to better understand what is required of them to become and stay continuously successful as a person, cohesive team, and business going forward.

What Others are Saying

"Thank you for coming to speak with us at the Space Mission Challenges for IT (SMC-IT) Conference here at the Johns Hopkins Applied Physics Laboratory. Your passion and positive attitude are contagious, and I received numerous complements on your message and delivery. I would not hesitate to invite you again to speak to us in the future."

Brian D.,
General Conference Chair
Space Mission Challenges for IT (SMC-IT)

"Out of all the keynote speakers that presented today, Ty you received the highest marks and remarks across the board from the participant surveys. Your ability to speak to an audience and keep it fun and engaging while also delivering quality substance is very impressive, Wow! Our association members really enjoyed meeting and listening to you. Thank you, again-and-again! You delivered."

Patricia D.,
Co-Conference Committee Chair
Coordinator, Quality Projects & NCAL PSO
New Jersey Hospital Association
