Client Testimonials (Continued...)

What Clients and Others Are Saying...

"Ty, it was a pleasure having you present at Biogen in Cambridge, Massachusetts. Since your keynote presentation, the feedback received has been extremely positive. It can be challenging to create and sustain energy and engagement when presenting in person and virtually; however, you executed flawlessly. Your message was relevant and interactive. Your key points of self-advocacy, self-improvement, and making intentional choices resonated with the team and many of them walked away empowered, ready to take charge of their careers. Thank you!"

**– MS. YVETTE PITTMAN, MANAGER, EMPLOYEE RESOURCE NETWORKS & WORKFORCE INITIATIVES
GLOBAL DIVERSITY & INCLUSION**

"The Board of Directors for the BMAC was very impressed by the amount of preparation that went into delivering the message to our group. What a success that day was—we enjoyed 10% increase in membership. I believe this was due to your encouraging words to the audience, which reminded them to support and join the chapter. It was a pleasure to meet and work with you and I hope to do so again in the very near future!"

**– MS. MARY SCHABDACH, CPP PAST PRESIDENT
THE BALTIMORE METROPOLITAN AREA
CHAPTER AMERICAN PAYROLL ASSOCIATION**

"Mr. Howard, thank you for the outstanding job that you did as keynote speaker at Baltimore City Community College's In-Service Diversity Awareness Training Program. Your delivery was as excellent as the content, and the content was right on the mark. I am sure that our staff gained a great deal from your presentation, and that the lessons learned will have a lasting impact far beyond your message."

**– DR. JAMES D. TSCHECTELIN, PAST PRESIDENT,
BALTIMORE CITY COMMUNITY COLLEGE**
